## CONDITIONS OF SALE.

This is a bona-fide public sale, for prompt cash settlement, and irresponsible persons who are not sure whether they can pay for what they bid on, are asked not to bid. The cataloguer has taken special pains to describe each lot accurately. Errors will be corrected, but he reserves the sole right to decide upon any claims. These are only conditions under which bids will be received.

Coins and medals are sold at so much per PIECE, and no lot will be separated. The auctioneer will accept any bid up to 50c., then 5c up to \$2.50, when 10c. advance must be bid, up to \$10.00, when no advance under 25 cents will be accepted. If there are 5 pieces in the lot and you wish to pay \$5.00 for the entire lot, then bid \$1.00.

for the first time, must give bank or other reliable reference, or their bids

Auction sales are strictly for cash. Parties unknown to me and bidding will not be executed.

Forward your bids as early as possible, as thousands of bids have to be entered. Do not make ridiculously low bids, such as 10c. and 15c. on foreign silver coins worth several times over as bullion. Write your bids plainly, with a pen if practicable.

Where the number of pieces in a lot is not given after the description, there is but one piece in the lot.

**Be sure you bid on the lot you wish to buy.**

All coins, etc., are genuine unless otherwise described.

My charge for executing bids will be 5 per cent. No charge made for bidding except for lots actually purchased. Remit by money order or New York draft.

Priced catalogue of this sale sent for 75c cash in advance.

If any further information is required as to valuation of lots, or how to bid, please write the cataloguer, THOMAS L. ELDER.

## A WORD TO THE BIDDERS.

---

The cataloguer begs to tender to all of his correspondents and customers his sincere thanks for their support in the past, and hopes by fair treatment to merit a continuance of the same. In the forthcoming Fall Sales it is his intention to offer a wide variety of material of Coins, Medals, Tokens, Paper Money, Manuscripts, Books, Curios, Weapons, Indian Relics, Ancient Scarabs, Seals, Glass, Pottery, Beads, Gems, Jewelry, Etc., some of which cannot fail to be of interest to all classes of collectors whatsoever. Specialists are asked to not neglect to look through each catalogue received, because while they may not find in every one something in their special field, yet the very objects they seek are offered quite unexpectedly. Your cabinets, dens, or museums may be very largely added to through these sales. Certainly no other cataloguer covers such a wide field of collecting, and many things of interest and value will be offered. If you do not know what to bid, on any lot in these sales, the cataloguer will be glad to help to advise you. Every one receiving these catalogues is asked to send at least an occasional bid. Do not give up collecting. People with hobbies live the longest. We have one customer on our list who is 94 years of age, and still actively collecting.

Also, do not forget that the cataloguer stands ready to catalogue your collection or any portion of it, or duplicates. Terms will be submitted on application.

Start in the Fall right by sending in a few bids for this sale. New York, Sept. 3, 1915.
